RE: Permit Transfer for Small Mining Project, Nelson Quarry Mine, S/003/041, Box Elder County, Utah

On January 7, 1999 we received a completed Transfer of Notice of Intention to transfer the Nelson Quarry located in the S1/2 of the SW1/4 of the SE1/4, Section 21, T14N, R17W, SLBM, Box Elder County from Don & Keith Nelson to Lon Thomas of American Stone. This project area is adjacent to American Stone's Cotton Thomas large mining project (M/003/024). There will be no change to American Stone's mining and reclamation plan by this transaction, as the area is already included within the proposed disturbance of the Cotton Thomas quarry. The Division is in the process of reviewing the Cotton Thomas large mining proposal at this time.

By signing and executing this transfer form it will effectively release Don and Keith Nelson from any further mining or reclamation responsibility at this site. The file S/003/041 for the Nelson Quarry will be closed and retired.

If you are in agreement with this transfer, please execute the form with your signature.  
Thank you for your consideration of this request.
